Re: Docket No. 100001-EI - Fuel and purchased power cost recovery clause with generating performance incentive factor; Confidentiality Requests

Dear Jim:

Listed below are the 2010 TECO Requests for Confidential Treatment of certain information contained in its 423 forms. The Commission's 423 forms require the utility to submit certain transportation information which Commission staff uses to evaluate the reasonableness of fuel costs in the fuel and cost recovery docket. Staff intends to retain the information from the 423 forms to develop a data base. In each of its requests listed below, TECO has stated a date by which the documents can be declassified. For some of those requests, that date has or will shortly expire. There have not been orders issued for these requests. Will you confirm that the following confidential documents can be declassified on the dates set forth in TECO's petitions?
