In 2010 FPUC requested confidentiality for some information in its Preliminary Statement of Issues (Document No. 08073-10 in Docket No. 100001-EI) and in its Prehearing Statement (Document No. 08465-10 in Docket No. 100001-EI). As I recall, FPUC agreed to withdraw its request as the information could be garnered from other sources. Unfortunately, I cannot find written confirmation of the withdrawal. Do you agree that the information contained in those dockets can be declassified?
