The Commission clerk will be returning several confidential documents to the sources. In a prior email, I requested that the utility store staff's first sets of interrogatory and production of document requests in the utility's Tallahassee office. These are generally the discovery requests involving the prior year contracts, bids, and purchases. In addition to those documents being kept in the Tallahassee offices, staff asks that the following be stored by the respective companies in Tallahassee:

- 03597-11 to be kept by PEF in its Tallahassee office
- 03603-11 to be kept by TECO in its Tallahassee office
- 03606-11 to be kept by TECO in its Tallahassee office
- 03633-11 to be kept by FPL in its Tallahassee office
