Lisa,

Confidential DN 03853-08 was returned to the source on 11/8/10, but confidential DN 03097-08, which is a cross-reference confidential document to 03853-08, is still at the Commission.

Do you want the Clerk's Office to return to the source confidential DN 03097-08 ?

Maria,

To confirm your telephone message, FPL no longer requires a Temporary Protective Order for its responses to staff data requests dated April 4, 2008. Staff had returned the documents held by the Commission (Document No. 03853-08). You spoke with OPC and they no longer had possession of the documents either. Accordingly, the Commission no longer needs to issue the Temporary Protective Order which was requested on April 30, 2008.
