COMMISSION
CLERK

Dear Ms. Cole:

Enclosed, please find the updated revisions to CHELCO's Tariff Sheets:

Title	New Sheet	Cancelled Sheet	Sheet #
Residential Service			
Time of Use	Third	Second	8.1
Prepaid Metering	Second	First	8.3.1

CHELCO has modified the above Time of Use rate to reflect the current on and off peak times from its wholesale power provider. This was the format submitted in the last change, however during the recent rate revision, the older on peak and off peak schedule was applied. This update addresses that error. As with the prior Time of Use rate design, these rates are designed to be revenue neutral.

CHELCO has modified the above Prepaid Metering Rate after reviewing its experience with the actual costs of administering the rate. The rate has been decreased to reflect the reduction in rate specific expenses.

CHELCO's Board of Trustees approved the changes in this filing at its board meeting on March 15, 2012. Neither of the changes affects the structure of the rates. CHELCO requests that the Commission approve the rates included in this filing and make them effective May 1, 2012.

Respectfully,

Leigh V. Grantham
CEO & General Manager
