In re: Petition for increase in rates by Florida  
Power & Light Company.

DOCKET NO. 120015-EI  
ORDER NO. PSC-12-0220-PCO-EI  
ISSUED: April 26, 2012

ORDER GRANTING PETITION TO INTERVENE

Background

On January 17, 2012, Florida Power & Light Company (FPL) filed a test year letter, as required by Rule 25-6.140, Florida Administrative Code (F.A.C.), notifying this Commission of its intent to file a petition in the Spring of 2012 for an increase in rates effective January, 2013. Pursuant to the provisions of Chapter 366, Florida Statutes (F.S.), and Rules 25-6.0425 and 25-6.043, F.A.C., FPL filed the petition for an increase in rates on March 19, 2012. The hearing is scheduled to commence on August 20, 2012.

Petition to Intervene

On April 3, 2012, John W. Hendricks filed a Petition to Intervene (Petition) in this docket in his individual capacity as a customer of FPL. Mr. Hendricks asserts he is a customer of FPL, and the cost of electricity is a significant portion of the cost of operating a residence and office in Florida. Mr. Hendricks further asserts his interests are directly affected by FPL's bills and ongoing quality of service. No party has filed an objection to Mr. Hendricks' Petition, and the time for doing so has expired.

Standard for Intervention

Pursuant to Rule 25-22.039, F.A.C., persons, other than the original parties to a pending proceeding, who have a substantial interest in the proceeding, and who desire to become parties, may petition for leave to intervene. Petitions for leave to intervene must be filed at least five days before the evidentiary hearing, conform with Rule 28-106.201(2), F.A.C., and include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected by the proceeding. Intervenors take the case as they find it.

To have standing, the intervenor must meet the two-prong standing test set forth in Agrico Chemical Company v. Department of Environmental Regulation, 406 So. 2d 478, 482 (Fla. 2d DCA 1981). The intervenor must show that (1) he will suffer injury in fact which is of sufficient immediacy to entitle him to a Section 120.57 hearing, and (2) this substantial injury is of a type or nature which the proceeding is designed to protect. The first aspect of the test deals with the degree of injury. The second deals with the nature of the injury. The "injury in fact" must be both real and immediate and not speculative or conjectural. Analysis & Ruling

It appears that Mr. Hendricks meets the two-prong standing test set forth in Agrico, in that he is a customer of FPL whose interests may be substantially affected by this proceeding. Therefore, the Petition shall be granted with respect to Mr. Hendricks' intervention in this proceeding as an individual FPL customer. Pursuant to Rule 25-22.039, F.A.C., Mr. Hendricks takes the case as he finds it.

The decision to grant Mr. Hendricks intervention should not be construed to permit him to raise arguments outside the scope of the issues the Commission determines to address in this rate proceeding. The appropriateness of the issues will be determined during the normal course of issue identification. As an intervenor in this proceeding, Mr. Hendricks is expected to comply with the same standards, rules, statutes, and procedures as all other parties to this proceeding and shall be required to stay within the scope of this proceeding as established through the issues, rules, and governing statutes.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that the Petition to Intervene filed by Mr. John W. Hendricks is hereby granted as set forth in the body of this Order. It is further

ORDERED that Mr. Hendricks takes the case as he finds it. It is further

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
