DOCKET NO. 120009-EI

PALM BEACH COUNTY )

AFFIDAVIT OF BRUCE BEISLER

BEFORE ME, the undersigned authority, personally appeared Bruce Beisler who, being first duly sworn, deposes and says:

1. My name is Bruce Beisler. I am currently employed by Florida Power & Light Company ("FPL") as Project Manager - Nuclear. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in FPL's Request for Confidential Classification concerning information provided with its Petition for Approval of Nuclear Power Plant Cost Recovery Amount for the Year Ending December 2013, for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed contain proprietary confidential business information, including information concerning bids or contractual data. Disclosure of this information would violate FPL's contracts with its vendors, work to the detriment of FPL's competitive interests, impair the competitive interests of its vendors and/or impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
