DOCUMENT NO. <u>02998-12</u>		
DISTRIBUTION: _____		

Ana,

Per our telephone conversation, I'm confirming that the memo dated 12/10/12 with attached presentations and written statements gathered from the customer meeting for Wedgfield should be placed in Docket Correspondence - Parties and Interested Persons, rather than in the docket file which is indicated on the memo.

Also, as we discussed, the names and addresses on the "petition for better water" which was included in the attachment to the memo contains names and addresses that are very faint and some are illegible because of it. You advised that this was printed directly from the CD and that the quality on the CD that was provided to you was of poor quality as well. I'm just confirming, in case anyone asks us for a better quality copy, that a better quality is not available.

We will put this e-mail in Docket Correspondence - Administrative for historical purposes.

Thank you for your help!
