*Pamela,*

*On the confidential documents report for April from RAD/Merritt, there is a directive to return to source confidential DN 00308-12 in Docket 110309-EI (see attachment to e-mail).*

*Docket 110309-EI is on appeal.*

*Will this confidential document need to be part of the appeal record being forwarded to the court, or can this confidential document be returned to the source as directed?*

*Thanks.*
