**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Complaint of BellSouth ) Docket No.: 110234-TP  
Telecommunications, LLC d/b/a AT&T )  
Florida Against Halo Wireless, Inc. ) Filed: June 4, 2012

**AT&T FLORIDA'S NOTICE OF INTENT TO  
REQUEST SPECIFIED CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, LLC d/b/a AT&T Florida ("AT&T Florida"), pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its Notice of Intent.

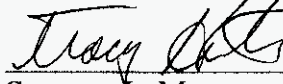

1. On June 4, 2012, AT&T Florida served its Responses to Halo Wireless, Inc.'s ("Halo") First Set of Interrogatories (Nos. 1-12), Requests for Admission (Nos. 1-22) and Requests for Production of Documents (Nos. 1-9) in the captioned docket.

2. Portions of the DVD that AT&T Florida will be producing in response to Halo's First Request for Production No. 5 contain customer specific traffic and calling records and billing information that may be considered confidential and proprietary to Halo.

3. AT&T Florida is now filing this Notice of Intent pursuant to Rule 25-22.006(3)(a), Florida Administrative Code, in order to allow the Commission to take possession of this material without delay. In an abundance of caution, AT&T Florida is protecting the information under this Notice of Intent because it believes that the information might be confidential to Halo. ***If Halo believes that the information is confidential, Halo will need to file a Request for Specified Confidential Classification, to keep this information confidential, as AT&T Florida will not be filing a Request for same.*** The original of this notice has been filed with the Office of the Commission Clerk, and a copy has been served on all parties of record.

Respectfully submitted this 4th day of June, 2012.

AT&T FLORIDA
