IN RE: NUCLEAR COST RECOVERY CLAUSE Docket No. 120009-EI Submitted for Filing: June 5, 2012

AFFIDAVIT OF CYNTHIA LEE IN SUPPORT OF PROGRESS ENERGY FLORIDA, INC.'S THIRD REQUEST FOR CONFIDENTIAL CLASSIFICATION REGARDING PORTIONS OF THE AUDITOR'S WORK PAPERS IN AUDIT CONTROL NO. 12-010-2-2 FOR THE CRYSTAL RIVER UNIT 3 UPRATE PROJECT

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Cynthia Lee, who being first duly sworn, on oath deposes and says that:

1. My name is Cynthia Lee. I am employed by Progress Energy Florida, Inc. ("PEF" or the "Company") as the Manger of Regulatory and Property Accounting. I am over the age of 18 years old and I have been authorized by PEF to give this affidavit in the above-styled proceeding on PEF's behalf and in support of PEF's Third Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. PEF is seeking confidential classification portions of the audit work papers of the Florida Public Service Commission ("Commission") Office of Auditing and Performance Analysis Staff Auditors in Audit Control No. 12-010-2-2 for the Crystal River Unit 3 Uprate ("CR3 Uprate") project (the "Audit Work Papers"). A detailed description of the confidential information at issue is contained in confidential Attachment A to PEF's Request and is outlined in PEF's Justification Matrix that is attached to PEF's Request as Appendix C. 3. The Audit Work Papers contain legal services invoices and explanations for legal services performed for the CR3 Uprate project. The release of this confidential financial information would impair PEF's competitive business interests.

4. The Audit Work Papers contain information related to legal work performed for the CR3 Uprate project. The public disclosure of this information would allow other parties to discover how the Company utilizes legal services and the costs it pays for such services, and would impair PEF's ability to contract for such goods and services on competitive and favorable terms.

5. The Company is requesting confidential classification of this information because the Audit Work Papers contain proprietary and confidential information that would impair PEF's competitive business interests if publicly disclosed. Portions of these documents reflect the Company's internal strategies for evaluating projects. The information contains sensitive information concerning the legal services for the CR3 Uprate project the release of which would place PEF's competitors at a relative competitive advantage, thereby harming the Company's and its customer's interests.

6. Upon receipt of this confidential information, strict procedures are established and followed to maintain the confidentiality of the information provided, including restricting access to those persons who need the information to assist the Company. At no time since receiving the information in question has the Company publicly disclosed that information. The Company has treated and continues to treat the information at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.

Dated this 5 day of June, 2012.
