IN RE: Environmental Cost Recovery Clause

Docket No: 120007-EI

Date: June 5, 2012

**FLORIDA POWER & LIGHT COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION OF  
MATERIALS PROVIDED PURSUANT TO AUDIT NO. 12-019-4-1**

Pursuant to Section 366.093, Florida Statutes (2011) ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code (2011) ("Rule 25-22.006"), Florida Power & Light Company ("FPL") requests confidential classification of certain material provided to the Staff of the Florida Public Service Commission ("Staff") pursuant to Audit Control No. 12-019-4-1 ("the Audit"). In support of this request, FPL states as follows:

1. During the Audit, FPL provided Staff with various confidential documents. By letter dated May 18, 2012, Staff indicated its intent to retain certain audit work papers. Pursuant to Rule 25-22.006(3)(a), FPL was given 21 days from the date of the letter to file a formal request for confidential classification with respect to the work papers. Accordingly, FPL files this Request for Confidential Classification to maintain continued confidential handling of the confidential work papers.

2. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy the confidential documents, on which all information that is entitled to confidential treatment under Florida law has been highlighted.

b. Exhibit B consists of a copy of the confidential documents, on which all information that is entitled to confidential treatment under Florida law has been redacted.

c. Exhibit C is a table that identifies the specific line and page references to the confidential materials for which FPL seeks confidential treatment. The table also references

the specific statutory bases for confidentiality and the affiants who support the requested classification.

d. Exhibit D consists of the affidavits of Scott E. Brown, Antonio Maceo, Roger F. Messer, Frank J. Nesbihal and Rodolfo Sanchez.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3). This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As the affidavits included in Exhibit D indicate, certain information provided by FPL contains information related to internal auditing controls or reports of internal auditors. This information is protected from public disclosure pursuant to Section 366.093(3)(b). Other materials contain information related to bids or contractual data, such as pricing or other terms, the public disclosure of which would violate nondisclosure terms of FPL's contracts with certain vendors and impair FPL's ability to contract for goods or services on favorable terms in the future. Such information is protected by Section 366.093(3)(d).

5. Much of this information is also competitively sensitive, and could impair the competitive interests of FPL or the provider of the information. Such information is protected by Section 366.093(3)(e).

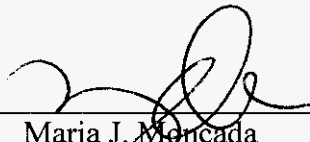

6. Upon a finding by the Commission that the information highlighted in Exhibit A, and referenced in Exhibit C, is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat. (2011).

**WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted

Respectfully submitted,
