CUSTOMER NOTICE

ISSUED: MAY 29, 2012

On October 31, 2011, Labrador Utilities, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water and wastewater service rates, in which it requested a permanent revenue increase of approximately 45% for water service and approximately 25% for wastewater service.

By Proposed Agency Action Order No. PSC-12-0206-PAA-WS ("PAA Order"), issued April 19, 2012, the Commission proposed a revenue increase of 20.56% for water service and 1.2% for wastewater service. These increases were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water and wastewater service.

The increased rates and charges are effective for service on or after June 3, 2012.

The rates prior to filing and the Commission-approved water and wastewater rates are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Labrador Utilities, Inc.
