Thank you for your follow-up telephone call! I located DN 03849-12 and have determined that it is the payment record as received from Fiscal/Tully which includes the "original" SARC application. We will set up a new docket today based on that filing, and will add a CLK note to advise of the delay in processing the new docket (Docket No. 120172-WS). This e-mail will be placed in administrative correspondence for historical purposes.

Good morning, appreciate the response, but staff will have to handle the request to open a docket by the form we have to establish a new docket, which will have to include the title, etc., I cannot do that. Once the request is filed by staff, a docket will be opened, should any filing(s) that were in the original docket be needed in the new one, you will have to advise those DN's numbers to be transferred from the old one to the new one. Should you have any questions, call Dorothy, 413-6243, as it's her section that opens dockets.

Dorothy, for your information.

Thanks, N

Hi Nonnye,

I believe that Country Club will need a new docket file, but I've sent an email for confirmation to Andrew.

As soon as I hear from him, I will let you know whether we write a memo or open a docket.. or both.

Thanks!

Lee Eng

Good afternoon Lee, by memo dated 12-15-11, DN 08984-11, in the above docket you advised that the Utility was voluntarily withdrawing its application and for the docket to be closed administratively which we did. Today, see DN 03849-12, its a \$2,000 payment for SARC application filing fee. The docket is closed, are we to re-open the docket? If so, please do a memo advising us what to do. Should you have any questions please give me a call. Thanks,
