Re: Docket No. 100337-WS; Application for Increase in Water and Wastewater Rates in Pasco County by Mad Hatter Utility, Inc.

Dear Ms. Cole,

In 2011, Mad Hatter Utility, Inc. filed an application for increase in water and wastewater rates in the above-referenced docket. The utility has sought and received several extensions and abatements of the proceedings in that docket in order to pursue the potential sale of the utility to the Florida Governmental Utility Authority (FGUA).

The utility has now reached a formal agreement for sale of its water and wastewater systems to the FGUA which are scheduled to close in mid-July. As a result, we are hereby withdrawing the above-referenced application for increase in water and wastewater rates effective immediately.

We will be filing transfer notices to the Commission for both Mad Hatter Utility, Inc. and its related entity, Paradise Lakes Utility, Inc. in the near future. Should you have any questions in this regard, please do not hesitate to contact me.

Sincerely,

SUNDSTROM, FRIEDMAN & FUMERO, LLP
