**Re: Docket No. 120169-TP
Notice of Adoption of Existing Interconnection, Unbundling, Resale and
Collocation Agreement between BellSouth Telecommunications, Inc.
d/b/a AT&T Florida d/b/a AT&T Southeast and New Talk, Inc. by Digital
Express**

Dear Ms. Cole:

Yesterday, AT&T Florida became aware of the "notice" letter that Digital Express, Inc. ("Digital Express") filed with the Commission on June 5, 2012, purporting to unilaterally adopt an interconnection agreement different from its current and effective Agreement on file with and approved by the Commission in Docket No. 110222-TP. AT&T Florida has learned that Digital Express' June 5 letter was docketed as Docket No. 120169-TP.¹

Please be advised that AT&T Florida objects and does not consent to Digital Express' June 5 letter and asserts that the letter does not alter the effectiveness of the current Agreement between AT&T Florida and Digital Express, which was signed by both parties and approved by the Commission. AT&T Florida will file a formal response to Digital Express' June 5 letter in the near term.

We would appreciate if you would add AT&T Florida as a party of record to this docket.

¹ On June 5, 2012, Digital Express sent a different letter to AT&T Florida's Contract Management team in which it purported to notify AT&T Florida that it was unilaterally adopting New Talk's Florida interconnection agreement as of that date. Digital Express did not notify AT&T Florida that it was contemporaneously filing a notice with this Commission. AT&T Florida has been reviewing Digital Express' letter and will be responding in the normal course of business.
