In re: Docket No. 120009-EI – Florida Power & Light Company – Nuclear Cost Recovery

Dear Commission Clerk:

On June 19th, 2012, the undersigned filed with the Florida Public Service Commission (Commission) a Petition for Leave to Intervene (Petition) in the above-styled matter. However, after reviewing the schedule set-out by the Commission in the instant action – it appears that the undersigned's current Intervention in Docket No. 120015-EI will otherwise interfere with and prevent intervention in both dockets. Therefore, the undersigned hereby **WITHDRAWALS** [h]is Petition for Leave to Intervene in **Docket No. 120009-EI – Florida Power & Light Company – Nuclear Cost Recovery** for the above-stated reason.

Please advise the Commission's Presiding Officer accordingly.

Respectfully submitted,

Thomas Saporito
