Progress Energy Florida ("PEF" or the "Company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, files this First Notice of Intent to Request Confidential Classification of the confidential portions of the documents and information produced in response to Staff's First Request for Production of Documents to Progress Energy Florida, Inc. (Nos. 1-3), specifically numbers 1 and 2. Portions of the documents and information contained in these responses contain proprietary and confidential business information which the Company does not disclose to the public, including contractual and capital cost data for the Levy Nuclear Project (LNP) the disclosure of which would impair PEF's ability to contract for necessary goods and services and in many cases would violate contractual confidentiality clauses, and other information the disclosure of which would harm the Company's competitive business interests.

Attached as Exhibit A is a CD containing confidential, highlighted copies of the above referenced documents.

Pursuant to Rule 25-22.006(3)(a)(1), PEF will file its Request for Confidential Classification for such confidential information contained therein within twenty-one (21) days of filing this request.
