BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Access Networks of Florida, LLC (Access Networks) applied for a Certificate of Authority to provide local telecommunications service, pursuant to Section 364.335, Florida Statutes. Upon review of the application, it appears that Access Networks has sufficient technical, financial, and managerial capability to provide such service. Accordingly, we hereby grant to Access Networks a Certificate of Authority No. 8829, which authorizes Access Networks to provide local telecommunications service throughout the State of Florida.

Telecommunications service providers are required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapter 25-4, Florida Administrative Code.

In addition, under Section 364.336, Florida Statutes, Certificate of Authority holders must pay a minimum annual Regulatory Assessment Fee (RAF) if the certificate was active during any portion of the calendar year. A RAF Return notice will be mailed each December to Access Networks for payment by January 30th. Neither the cancellation of its certificate nor the failure to receive a RAF Return notice shall relieve Access Networks from its obligation to pay its RAF.
