

VOTE SHEET

August 14, 2012

Docket No. 120036-GU – Joint petition for approval of Gas Reliability Infrastructure Program (GRIP) by Florida Public Utilities Company and the Florida Division of Chesapeake Utilities Corporation.

Issue 1: Should the Commission approve FPUC's proposed Gas Reliability Infrastructure Program?

Recommendation: Yes. The Commission should approve FPUC's proposed GRIP using an annual surcharge adjustment mechanism to be implemented August 14, 2013, as discussed in staff's memorandum dated August 2, 2012. The Company should be directed to file its annual GRIP petitions on September 1 of each year, starting in 2013. Also, the Commission should approve FPUC's proposed revised GRIP tariff filed July 31, 2012, effective January 1, 2013, extending through December 31, 2013.

FPUC should be required to file quarterly reports with the Commission on the progress of its replacement program. The reports should include information such as the location of the replacements, whether the location is in a high consequence area, the mileage and type of pipeline replaced, the type of material used, and the date the replacement pipe was put into service.

APPROVED

The order to reflect OPC's annual monitoring recommendation, as discussed at the Commission Conference this date.

**Issue 2:** Should the Commission approve Chesapeake's proposed Gas Reliability Infrastructure Program?

**Recommendation:** Yes. The Commission should approve Chesapeake's proposed GRIP based on an annual surcharge adjustment mechanism to be implemented August 14, 2012, as discussed in staff's memorandum dated August 2, 2012. Chesapeake should be directed to file its annual GRIP petitions on September 1 of each year, starting in 2013. Also, the Commission should approve Chesapeake's proposed revised GRIP tariff filed July 31, 2012, effective January 1, 2013, extending through December 31, 2013.

Chesapeake should be required to file quarterly reports with the Commission on the progress of its replacement program. The reports should include information such as the location of the replacements, whether the location is in a high consequence area, the mileage and type of pipeline replaced, the type of material used, and the date the replacement pipe was put into service.

**Issue 3:** Should this docket be closed?

**Recommendation:** Yes. If Issue 1 and 2 are approved, the tariffs should become effective on January 1, 2013. If a protest is filed within 21 days of the issuance of the order, the tariffs should remain in effect, with any revenues held subject to refund, pending resolution of the protest. If no timely protest is filed, this docket should be closed upon the issuance of a consummating order.
