Marguerite,

The applicant has filed three documents in the docket file for which it has requested confidential classification.

1. DN 03525-12, filed May 31, 2012. Ralph and I do not need this document and it may be returned to the provider along with DN 03524-12, the request for confidential classification, and DN 03526-12, the redacted version of the classified copy.
2. DN 04695-12, filed July 16, 2012. Ralph and I have not yet determined whether to retain or return this document. As soon as we know, we will either respond to DN 04694-12, request for confidential classification, or give instructions to return.
3. DN 05109-12, filed July 31, 2012. Similarly, Ralph and I have not yet determined whether to retain or return the document. As soon as we know, we will either respond to DN 05108-12, request for confidential classification, or give instructions to return.
