Re: Petition of Tampa Electric Company for Approval of Revised Tariff Sheets for
Underground Residential Distribution and Contribution-in-Aid-of-Construction;
Docket No. 120073-EI

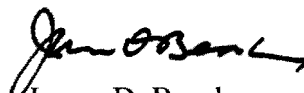

Dear Ms. Cole:

On June 26, 2012 Tampa Electric submitted a Revised Tariff Sheet No. 5.510 in this proceeding to replace the original of that tariff sheet which was filed on April 2, 2102. Subsequent to the June 26 filing Tampa Electric has detected a scrivener's error resulting in an incorrect value being entered for the Low Density Subdivision charge per service lateral on Tariff Sheet 5.510. Enclosed for filing are the original and fifteen (15) copies of a corrected Seventh Revised Sheet No. 5.510 which correctly reflects the "per lot" cost value shown on the Overhead vs. Underground Summary Sheet of Form 13 which was revised and included in the June 26, 2012 filing. We would appreciate your circulating these corrected tariff sheets to the recipients of the previous filings. We are providing the Commission Staff with two copies of this tariff sheet marked in legislative format to reflect charges from the currently approved version.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
