Re: *Connect America Fund*, WC Docket No. 10-90; *High-Cost Universal Service Support*,
WC Docket No. 05-337

Dear Ms. Dortch:

Windstream Corporation, on behalf of its incumbent local exchange carrier affiliates (hereinafter “Windstream”), hereby submits a revised Attachment 2 to its Election and Petition for Waiver submitted on July 24, 2012.¹ Attachment 2 is a .csv file identifying, by 2010 Census Block FIPS code and wire center CLLI code, the 16,981 locations where Windstream will deploy broadband service in satisfaction of its requirements if the Petition for Waiver is granted. Windstream had previously submitted a version of Attachment 2 that did not include Census Block information, along with a request for a temporary waiver of 47 C.F.R. § 54.312(b)(3) and a commitment to submit such information when it became available.

Windstream submits the revised Attachment 2 pursuant to the Protective Order in CC Docket No. 01-92, WC Docket Nos. 05-337, 07-135, and 10-90 and GN Docket No. 09-51 (DA 10-1749, rel. Sept. 16, 2010) (Protective Order). This confidential treatment is required to protect proprietary and confidential information about Windstream’s network. Pursuant to the Protective Order, Windstream is submitting to the Secretary one copy of the Stamped Confidential Document—a CD-ROM with both attachments, labeled “CONFIDENTIAL INFORMATION – SUBJECT TO PROTECTIVE ORDER IN CC DOCKET NO. 01-92, WC DOCKET NOS. 05-337, 07-135, 10-90, AND GN DOCKET NO. 09-51 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION”—and two copies of the Redacted Confidential Document, as defined in the Protective Order. Windstream also is sending two

copies of the Stamped Confidential Document to Ms. Lynne Hewitt Engledow, Pricing Policy Division, Wireline Competition Bureau, and is filing the Redacted Confidential Document electronically via ECFS.

In the interest of providing the public with as much information as possible about the deployment projects Windstream would undertake if its waiver request is granted, Windstream also submits the attached Summary of Conditional Election Impact. That document provides the number of unserved locations, by county, that would receive broadband, and the wire centers within those counties that would be impacted.²

Please feel free to contact me if you have any questions or need any more information.

Sincerely yours,

/s/ Malena F. Barzilai

² Because in certain counties, only one wire center would be impacted by Windstream's planned deployment projects, this document reveals some wire-center-level data that Windstream typically considers proprietary and confidential. Due to the specific circumstances of this waiver request, Windstream has chosen to release this data in this context, but the company reserves the right to submit wire-center-level data confidentially in the future in this and other proceedings.
