STAFF'S FIRST DATA REQUEST

**Re: Docket No. 120015-EI - Petition for increase in rates by Florida Power & Light Company.**

Dear Mr. Wiseman:

By this letter, the Commission staff requests that South Florida Hospital and Healthcare Association (SFHHA or utility) provide responses to the following data requests.

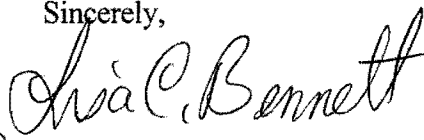

1. During Docket 080677-EI, SFHHA sponsored witness Kollen who criticized the GBRA mechanism because "it provides the Company an almost unfettered ability to automatically impose base rate increases to recover selective increases in certain costs without consideration of increases in revenues and reduction in all other costs." (See page 15-16 of Order PSC-10-0153-FOF-EI). Does the SFHHA still support witness Kollen's statement? If so, please explain why the SFHHA now believes that a GBRA mechanism is in the best interest of FPL's ratepayers. If not, please explain the rationale for the change in SFHHA's position.

Please file the original and five copies of the requested information by Friday, August 31, 2012, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6226 if you have any questions.
