Subject: FW: Docket 120191 Title / CASR Error

Hi Phillip,

Thank you for the clarification of the certificate number in the docket title. We will make the change to the docket title based on the information below.

As for the recommendation/CASR revisions, I'm forwarding this message to Tiffany and Ann who would be better able to answer any questions regarding same.

Subject: Docket 120191 Title / CASR Error

Howdy,

While writing the recommendation for the 120191-WS Docket, I noticed two errors.

The first is that, due to a typographical error by the utility, the title is wrong. The marked section should be "252-S"

Title: Docket 120191 -- Application for amendment of Certificate Nos. 303-W and 525-S to add territory in Volusia County by Tymber Creek Utilities, Incorporated.

As for the second, I'm not entirely sure you can help me, but I believe the issue might be from the CASR filing.

For the recommendation front page, "Commissioners Assigned" shows "Staff," and "Prehearing Officer" shows "Administrative."

From my understanding, this is a docketed item for all Commissioners. Would we need to file a revised CASR to reflect this?
