CUSTOMER NOTICE

ISSUED: SEPTEMBER 5, 2012

On August 11, 2011, the Florida Public Service Commission (the "Commission") initiated an undocketed earning investigation and commenced an audit of the Utility. The purpose of the audit was to compile and audit the Utility's rate base, capital structure and net operating income for the 13-month average test year ended December 31, 2010. On August 18, 2011, the Utility agreed to hold \$272,737 annually subject to refund.

By Proposed Agency Action Order No. PSC-12-0389-PAA-SU ("PAA Order"), issued July 27, 2012, the Commission approved a rate decrease of 14.35% for wastewater service. That Order became final on August 21, 2012.

The decreased rates and charges are effective for service on or after September 10, 2012.

The rates prior to the overearnings investigation and the Commission-approved wastewater rates are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Mid-County Services, Inc.
