Re: Docket No. 120002-EG – Energy Conservation Cost Recovery Clause

Dear Ms. Cole:

Attached for filing, please find the original and 15 copies of the Direct Testimony and Revised Exhibit CDY-2 of Mr. Curtis Young, submitted in the referenced Docket on behalf of Florida Public Utilities Company, along with the original and 15 copies of the Company's Petition for Approval of Revised Conservation Cost Recovery Factors. Also enclosed for filing is a CD containing the filed schedules in native format.

Thank you for your assistance with this filing. As always, please don't hesitate to let me know if you have any questions whatsoever.

Sincerely,

Beth Keating

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Energy Conservation Cost) Docket No. 120002-EG
Recovery Clause.)
_____) Filed: September 18, 2012

**PETITION FOR APPROVAL OF CONSERVATION
COST RECOVERY FACTORS FOR FLORIDA PUBLIC UTILITIES COMPANY**

Florida Public Utilities Company (“FPUC” or “the Company”) hereby files its petition for approval of its REVISED conservation cost recovery factors for its electric divisions related to the period January 2013 through December 2013. The Company has made this revision in response to Commission staff identifying an over-projection of expenses for the Company’s solar programs. In support of this Petition, FPUC states:

1. The Company is an electric utility with its principal office located at:

Florida Public Utilities Company
1641 Worthington Road, Suite 220
West Palm Beach, Florida 33409

2. The name and mailing address of the persons authorized to receive notices are:

Beth Keating
Gunster, Yoakley & Stewart, P.A.
215 South Monroe St., Suite 601
Tallahassee, FL 32301
(850) 521-1706

Cheryl Martin
Florida Public Utilities Company
1641 Worthington Road, Suite 220
West Palm Beach, Florida 33409

3. Pursuant to the requirements in this docket, FPUC, concurrently with the filing of this petition, files testimony and conservation cost recovery schedules (Revised Exhibit CDY-2) for the period, consisting of the reporting forms supplied by the Commission Staff. The changes reflected in Revised Exhibit CDY-2 impact only the projections associated with the Company’s Solar programs. Certain administrative costs were inappropriately allocated to these programs, but have now been appropriately reallocated. As such, while the projected

FPSC-COMMISSION CLERK

expenditures for the Company's Solar programs is reduced, the overall total projection remains the same.

4. As reflected in the exhibit sponsored by Mr. Curtis Young, the conservation costs for the Company's two electric divisions, on a consolidated basis, for the period ending December 2013 is projected to be \$816,675. The estimated conservation true-up amount for the prior period January 2012 to December 2012 is an under-recovery of \$249,597.
5. The total projected energy conservation costs, on a consolidated basis, that the Company seeks to recover during the twelve month period ending December 2013, are \$1,066,272. As such, the Company asks for approval of a consolidated levelized conservation cost recovery factor for this period of \$.00115 per KWH, which is appropriate based upon projected sales for the same period.

WHEREFORE, FPUC respectfully requests that the Commission enter an Order approving the Company's requested conservation cost recovery factor, on a consolidated basis, to be applied to customers' bills for the period January 2013 through December 2013.

RESPECTFULLY SUBMITTED this 18th day of September, 2012.
