**Amendment to the Interconnection and Reciprocal Compensation Agreement  
By and Between  
Northeast Florida Telephone Co., Inc.  
and  
Sprint Spectrum L.P. and Nextel South Corp.**

This Amendment ("Amendment") to the Interconnection and Reciprocal Compensation Agreement ("Interconnection Agreement") is entered by and between Sprint Spectrum L.P. and Nextel South Corp. ("Sprint") and Northeast Florida Telephone Co., Inc. ("Carrier"), Sprint and Carrier are further referred to herein individually as a "Party" and collectively as the "Parties".

**RECITALS**

WHEREAS, the Parties, or their predecessors in interest, previously entered into an Interconnection Agreement, pursuant to 47 U.S.C. 251/252, which was effective January 1, 2006 and amended on May 1, 2006; and

WHEREAS, the Federal Communications Commission, in an order released November 18, 2011, has provided that bill-and-keep shall be the default compensation arrangement between the Parties for the exchange of non-access traffic, and that this is to be considered a change of law; and

WHEREAS, the Federal Communications Commission, in an order released December 23, 2011<sup>1</sup>, has provided that such bill-and-keep arrangements, when requested before July 1, 2012, shall become effective July 1, 2012; and

WHEREAS Sprint elects to apply a bill-and-keep arrangement to all Local Telecommunications Traffic within the scope of the Interconnection Agreement between the Parties; and

WHEREAS, the Interconnection Agreement contains a "change of law" provision that authorizes the Parties to amend the Interconnection Agreement to comport with a change in law; and

WHEREAS, the Parties desire to amend the Interconnection Agreement to provide for a bill-and-keep arrangement, for the exchange of Local Telecommunications Traffic between them, such bill-and-keep arrangement to become effective July 1, 2012;

**AGREEMENT**

NOW THEREFORE, in consideration of the premises and the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**Amendment Terms**

1. From July 1, 2012, forward, all Local Telecommunications Traffic between the Parties shall be compensated pursuant to bill-and-keep rates, which means that the Parties will charge each other \$0.00 per minute of use ("bill and keep") for the transport and termination of the other's traffic pursuant to the Interconnection Agreement. Under bill-and-keep, neither Party will issue a bill to the other party for the exchange of Local Telecommunications Traffic.
2. In the event the provisions of the FCC Order of November 18, 2011, as modified by the FCC Order of December 23, 2011, and the rules implementing these orders with respect to imposing bill-and-keep compensation for non-access telecommunications traffic terminating after July 1, 2012, are reversed by a final decision of a Court of competent jurisdiction, that decision shall be treated as a subsequent change of law.
3. This Amendment shall be effective July 1, 2012.
4. This Amendment shall remain effective as long as the Interconnection Agreement remains effective between the Parties.
5. The provisions of this Amendment, including the provisions of this sentence, may not be amended, modified or supplemented without the written consent thereto by both Parties' authorized representatives.
6. Except as expressly set forth herein, the terms and conditions of the Agreement shall remain in full force and effect without change.

The Parties, intending to be legally bound, have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
