Re: Docket No. 110208 -WS - Application for staff-assisted rate case in Highlands County by L.P. Utilities Corporation

Dear Mr. Lovelette:

The Commission received your letter dated September 24, 2012, requesting a 90 day abatement of any further processing of the application for a staff-assisted rate case (SARC) in Highlands County for L.P. Utilities Corporation (L.P. or Utility). By your letter, you stated that you agree to waive all applicable statutory time periods for processing this application. With this understanding, the extension of time for the above-noted SARC application is approved.

However, please note that, in the event the Utility elects to proceed with this application, staff needs further clarification of the billing data previously provided. If you have any questions, please contact Shannon Hudson either by phone at (850) 413-7021, or by e-mail at shudson@psc.state.fl.us.

Sincerely,
