CONSUMER COMMENTS
As a property owner in Joyland if the cost of providing water to the subdivision has become too costly the owner need to look at an alternative with the city of Quincy and annex the subdivision into the city limits. This annexation would be a benefit to me as a home/property owner with annexation now we would have garbage pickup, fire services & water at a reasonable rates.
I hate I missed this meeting but I was unaware before today. I look forward to the next meeting to discuss other options.
