**JUSTIFICATION FOR CONFIDENTIAL TREATMENT OF
HIGHLIGHTED PORTIONS OF TAMPA ELECTRIC'S RESPONSES TO
STAFF'S SECOND SET OF INTERROGATORIES (FILED OCTOBER 23, 2012)**

<u>Interrogatory No.</u>	<u>Bates Page Nos.</u>	<u>Detailed Description</u>	<u>Rationale</u>
60	84-85	All Highlighted Information	(1)(2)

- 1) The highlighted information contains Tampa Electric's agreed upon commodity rates. Commodity rates have been recognized by the Commission on numerous occasions to constitute proprietary confidential business information and the disclosure of which would be harmful to Tampa Electric's ability to contract for goods and services on favorable terms. This is the specific type of information described in Section 366.093(3)(d) and (e) as being entitled to confidential protection and exemption from the Public Records Law.

 - 2) The information discloses, in great detail, Tampa Electric Company's transportation rates, by contract on a projected basis going out a number of years into the future. Public disclosure of this information would provide in minute detail the company's projected rates for all of the detail components of the company's projected fuel and fuel transportation costs. As such, this information is entitled to confidential protection pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. These types of rates on a commodity and segmented transportation basis have been recognized by the Commission on numerous occasions to constitute proprietary confidential business information the disclosure of which would be harmful to Tampa Electric's ability to contract for goods and services on favorable terms and, likewise, harmful to the competitive interests of Tampa Electric. This is the specific type of information described in Section 366.093(3)(d) and (e) as being entitled to confidential protection and exemption from the Public Records Law.

REQUESTED DURATION OF CONFIDENTIAL CLASSIFICATION

Tampa Electric requests that the Confidential Information that is the subject of this request be treated as proprietary confidential business information exempt from the Public Records Law for a minimum of 18 months from the date of the order granting such classification. To the extent the company needs confidential protection of the Confidential Information for a period longer than 18 months, the company's justification therefor is set forth below:
