STAFF'S SECOND DATA REQUEST

Re: Docket No. 120229-GU - Petition of the Florida Division of Chesapeake Utilities Corporation for approval of special contract with Suwannee American Cement LLC.

Dear Ms. Keating:

By this letter, the Commission staff requests that Chesapeake Utilities Corporation (Chesapeake) provide responses to the following data requests.

1. Referring to response No. 1 to staff's first data request, please explain under what provision in the current special contract Chesapeake and Suwannee negotiated the \$5,475 rate for the period Jan 1, 2011, through October 31, 2012 (when the special contract specifies monthly payments of \$20,075 and expires October 31, 2012).
2. Referring to response No. 1 to staff's first data request, please explain under what provision in Chesapeake's tariff Chesapeake and Suwannee negotiated the \$5,475 rate for the period Jan 1, 2011, through October 31, 2012.
3. Referring to response No. 2 to staff's first data request, please explain what provision in Chesapeake's tariff will allow Chesapeake to recover the difference between the special contract rate of \$20,075 and the \$5,475 negotiated with Suwannee for the period Jan 1, 2011, through October 31, 2012, through the CRA mechanism in 2013?
4. Referring to response No. 5 to staff's first data request, please explain how Chesapeake proposes to address the revenue shortfall resulting from the new Special Contract in the next rate case.
5. What is the resulting monthly residential CRA cents/therm factor for the difference between the special contract rate of \$20,075 and the \$5,475 negotiated with Suwannee for the period Jan 1, 2011, through October 31, 2012, that Chesapeake proposes to recover through the CRA mechanism in 2013?
