**Re: Bright House Networks Information Services (Florida), LLC and Telovations Inc. -
Notification of Asset Purchase and Transfer of Control**

Dear Ms.Cole:

Bright House Networks Information Services (Florida), LLC ("BHN") and Telovations Inc. ("Telovations") (referred to jointly herein as "Parties"), hereby notify the Commission of a pending transaction pursuant to which BHN will acquire Telovations through the purchase of all assets, including Telovation's customer base.

It is the Parties' understanding that no prior Commission approval of this transaction is required as both entities are telecommunications certificate holders in good standing in Florida. Consistent with the representations herein, on Friday, November 16, 2012, the appropriate filings regarding this transaction were made with the FCC.

I. Parties

Telovations, Inc. is a competitive local exchange ("CLEC") provider (Certificate No. 8653) with offices located at:

Telovations, Inc.
1410 N. West Shore Blvd., Suite 700
Tampa, FL 33607

DOCUMENT NUMBER-DATE

07730 NOV 19 12

Bright House Networks Information Services (Florida), LLC is also a CLEC in Florida that, in conjunction with services provided by its affiliate, Bright House Networks, LLC, provides local voice service to residential customers throughout Tampa and Central Florida. Bright House Networks Information Services (Florida), LLC and Bright House Networks, LLC are both Delaware limited liability companies. Bright House Networks Information Services (Florida), LLC, through a predecessor company, was granted CLEC authority in 2003 (Certificate No. 8015).

BHN's registered address with the Commission is:

301 East Pine Street, Suite 600
Orlando, FL 32801-2755

II. Description of Transaction

On November 15, 2012, BHN entered into an Asset Purchase Agreement with Telovations, whereby BHN will purchase all assets and the customer base of Telovations. ("Agreement") Pursuant to the Agreement, BHN will purchase customer accounts and receivables, customer agreements and contracts, certain vendor agreements and contracts, equipment and certain intellectual property of Telovations. BHN will not assume Telovations pre-closing liabilities or obligations.

BHN will make any revisions necessary to adopt the rates, terms and conditions of services currently provided by Telovations to customers, such that the transaction will be largely transparent. After the transaction is consummated, current customers of Telovations will see no immediate change to their service offerings, rates, or terms of service, and service will continue to be provided, for the time being, under the Telovations name. Consummation of this transaction is contingent upon, among other things, the Parties' ability to obtain any and all necessary regulatory approvals.

III. Notice

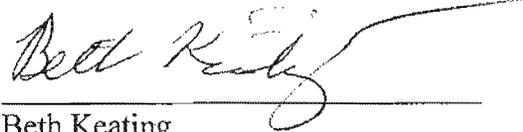

As noted herein, the transaction is scheduled to be consummated on or about December 31, 2012. To the extent required, the Parties will provide notice to affected customers in accordance with state requirements and the rules and regulations of the Federal Communications Commission.
