Concise explanation, justification or comments (attach additional sheet if necessary):

Counsels for the parties in the above-referenced docket have indicated the parties have resolved their differences. Accordingly, both Budget and AT&T would respectfully request that agenda item number 5 in this docket be deferred indefinitely to allow the parties time to put in place their agreement. It is further anticipated that, following the memorialization and execution of the parties' settlement agreement, a joint notice of voluntary dismissal will be prepared and filed, effectively dismissing Budget's complaint and AT&T's counter-claim.

Mary Anne: As Tracy Hatch and I indicated to you when we all recently spoke, our respective clients in the above-referenced docket have resolved their differences. While it will take some time to have this resolution memorialized and executed, a settlement has been reached. Accordingly, both Budget and AT&T would respectfully request that agenda item number 5 in this docket, currently scheduled to be considered next Tuesday, November 27, 2012, be deferred indefinitely to allow the parties time to put in place their agreement. It is further anticipated that, following the memorialization and execution of the parties' settlement agreement, a joint notice of voluntary dismissal will be prepared and filed, effectively dismissing Budget's complaint and AT&T's counter-claim.

Thank you for taking the appropriate action on this joint request to defer the pending agenda item. If you have any questions or need any additional information, please let Tracy or me know. Regards, Jon
