IN RE: Fuel and purchased power cost  
recovery clause and generating performance  
incentive factor

Docket No.: 120001-EI  
Date: November 27, 2012

**REQUEST FOR EXTENDED CONFIDENTIAL CLASSIFICATION**

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorneys and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order granting extended confidential classification for certain information contained in Gulf Power's Form 423 Fuel Report for the month of October 2010 ("the 423 Report"). As grounds for this request, the Company states:

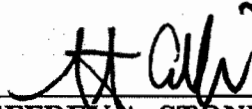

1. On December 28, 2010, Gulf Power filed a request for confidential classification of certain information contained in the 423 Report. (Document No. 10144-10)
2. On June 23, 2011, the Commission entered Order No. PSC-11-0275-CFO-EI granting Gulf's request for confidential classification.
3. As provided in section 366.093(4), Florida Statutes, and by the Commission's Order, the confidential documents will be made public after a period of 18 months unless Gulf or another affected party shows, and the Commission finds, that the confidential documents continue to contain proprietary confidential business information. The 18-month extension period expires on December 24, 2012.
4. Gulf hereby requests that the Commission enter an order extending the confidential classification of the information highlighted on Exhibit "A" of Gulf's request (Document No. 10145-10) and identified in line/by line format on Exhibit "C" of Gulf's request (Document No. 10144-10) for an additional 18-month period.

5. The information highlighted on Exhibit "A" to Gulf's request is entitled to continued confidential classification for the same reasons that it was initially classified. As stated in Gulf's request, the subject information is proprietary confidential business information regarding contractual matters which would cause irreparable harm to Gulf Power, the entities with whom it has entered into contracts and most importantly to Gulf's customers, if such information was disclosed to the general public. The subject information consists of pricing data for coal and related transportation purchases by Gulf Power. The contracts forming the basis for this pricing data are still in effect. Disclosure of this information could negatively impact Gulf's ability to negotiate pricing favorable to its customers in future. In addition, potential counterparties may refuse to enter into contracts with Gulf, or may charge higher prices, if the price terms are made public. The information is entitled to confidential classification pursuant to section 366.093(3) (d) and (e), Florida Statutes.

6. The information filed pursuant to this Request is intended to be, and is treated as, confidential by Gulf Power and, to this attorney's knowledge, has not been otherwise publicly disclosed.

**WHEREFORE**, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted in Document No. 10145-10 from public disclosure for an additional period of eighteen (18) months.

Respectfully submitted this 27<sup>th</sup> day of November, 2012.
