AFFIDAVIT OF CAROLYNE WASS

BEFORE ME, the undersigned authority, Carolyn Wass, personally appeared who, being first duly sworn, deposes and says:

1. My name is Carolyn Wass. I am currently Vice President of DeSoto County Generating Company, LLC ("DeSoto"). I have personal knowledge of the matters stated in this Affidavit.
2. I have reviewed the documents and information contained in DeSoto's Request for Confidential Classification of certain designated information contained in DeSoto's Petition to Intervene in this docket. The information designated as confidential in that Exhibit C is the proprietary, confidential business information, including trade secret information, of DeSoto and the disclosure of the designated confidential information would impair DeSoto's competitive interests in its negotiations with potential purchasers from the DeSoto Generating Facility ("DeSoto Facility"), and it would also impair DeSoto's competitive interests in its future efforts to sell power in the Florida wholesale power market. DeSoto treats this information as private, confidential, proprietary business information, and DeSoto has not disclosed the subject information, except pursuant to confidentiality agreements that protect the information from public disclosure.
3. Consistent with the provisions of the Florida Administrative Code, the subject information should remain confidential for a period of not less than eighteen (18) months. In addition, this information should be returned to DeSoto as soon as the information is no longer necessary for the Florida Public Service Commission to conduct its business, so that DeSoto can continue to maintain the confidentiality of this information.

Affiant sayeth nothing further.
