**Importance:** High

Mr. Mac Naughton,

Thank you for copying me on your request for voluntary cancellation. I will be opening a cancellation request docket this week.

As a due diligence review, I noticed that there was an outstanding penalty and interest (P&I) due for the 2011 RAF and I have copied you on the letter mailed with the amount due. The 2012 RAF forms will be mailed out in mid-December as well. In having no customers, the minimum due would be \$600.

In order to cancel a company in good standing, all outstanding RAF payments, penalties and interest must be current. The 2012 RAF is due January 30<sup>th</sup> in 2013, however, you can pay it earlier along with the 2011 P&I which will allow me to complete the cancellation process immediately. Otherwise, I have to wait until the Broadband's RAF account is paid in full.

If you have any questions, please feel free to contact me.

Take Care,
