**PENINSULA PIPELINE COMPANY'S NOTICE OF INTENT TO REQUEST
CONFIDENTIAL CLASSIFICATION**

Peninsula Pipeline Company ("Peninsula" or "Company") by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(3), Florida Administrative Code, hereby submits its Notice of Intent to Request Confidential Classification for information contained in Attachment A (Transportation Services Agreement) to its Petition for Approval of Transportation Service Agreement with Florida Public Utilities Company ("FPUC"), which has also been filed today.

Specifically, Peninsula intends to request confidential classification of the highlighted rates and terms in the Agreement, which represent contractual information that both Peninsula and FPUC treat as proprietary confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes.

Release of the referenced information as a public record would harm both Peninsula and FPUC's business operations and ratepayers by impairing the Companies' respective abilities to effectively negotiate for goods and services. As such, Peninsula requests that the Commission protect this information pending the filing by Peninsula of a Request for Confidential Classification consistent with Rule 25-22.006, Florida Administrative Code. Exhibit A to this Request is a highlighted copy of the
