Re: Petition of Tampa Electric Company for Approval of Revised Lighting Tariffs
FPSC Docket No. 130019-EI

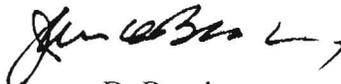

Dear Ms. Cole:

Enclosed for filing in the above matter are the original and fifteen (15) copies of a replacement tariff sheet, Original Sheet No. 6.808, which we ask that you distribute to recipients of our original January 11, 2013 filing so that they may substitute this replacement tariff sheet in place of the one that accompanied that filing. These replacement tariff sheets change all maintenance charges and two of the fixture charges contained in this tariff sheet. The maintenance changes of all of the LED fixtures were revised to reflect correct luminaire component failure frequencies and the fixture charges for both post top options were revised to reflect corrected crew installation time and costs.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
