FPSC-COMMISSION CLERK

**AMENDMENT TO THE AGREEMENT
BETWEEN
ALL SAFE SECURITY SERVICE, INC. D/B/A ALL SAFE PAGING
AND
BELLSOUTH TELECOMMUNICATIONS, LLC D/B/A AT&T FLORIDA**

This Amendment (the "Amendment") amends the One Way Paging Interconnection Agreement by and between BellSouth Telecommunications, LLC d/b/a AT&T Florida, hereinafter referred to as "AT&T" (previously referred to as BellSouth Telecommunications, Inc.) and All Safe Security Service, Inc. d/b/a All Safe Paging ("Carrier"). AT&T and Carrier are hereinafter referred to collectively as the "Parties" and individually as a "Party".

WHEREAS, AT&T and Carrier are parties to a One Way Paging Interconnection Agreement under Sections 251 and 252 of the Communications Act of 1996 for Commercial Mobile Radio Service (CMRS), dated June 13, 2006 and as subsequently amended (the "Agreement"); and

WHEREAS, pursuant to the Report and Order and Further Notice of Proposed Rulemaking issued by the Federal Communications Commission ("FCC") on November 18, 2011 (FCC 11-161), and as amended by the FCC on December 23, 2011 (FCC 11-189), the Parties desire to amend the Agreement to establish bill-and-keep as the compensation arrangement for IntraMTA Traffic exchanged between the Parties.

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The Parties agree to include the following definition of IntraMTA Traffic:

"IntraMTA Traffic" means traffic which, at the beginning of the call, originates and terminates within the same MTA and is exchanged between the End User, end user, Customer or customer of AT&T and the Carrier's or CMRS provider's End User, end user, Customer or customer. All references to Local Traffic, in the Agreement are hereby replaced by the term "IntraMTA Traffic".

2. Effective October 14, 2012, the Parties shall implement bill-and-keep for IntraMTA Traffic exchanged between the Parties over Type 1 interconnection trunks and facilities. Specifically, neither Party shall compensate the other Party for IntraMTA Traffic exchanged between the Parties.
3. The Parties agree to replace the rates for CMRS Local Interconnection Rates per Minute of Use for Type 1 in Attachment B-1 of the Agreement with the rates contained in Exhibit A attached hereto. IntraMTA Traffic will continue to be referenced as Section 251(b)(5) Calls Transport and Termination in Exhibit A.
4. There shall be no retroactive application of any provision of this Amendment prior to the Effective Date of an adopting Carrier's agreement.
5. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
6. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law, or under the intervening law, or regulatory change provisions, in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
7. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.
8. This Amendment shall be filed with and is subject to approval by the State Commission and shall become effective ten (10) days following approval by such Commission ("Amendment Effective Date").
