## STAFF'S SECOND DATA REQUEST

**Re: Docket Number 120313-GU - Petition for approval of transportation service agreement with Florida Public Utilities Company, by Peninsula Pipeline Company, Inc.**

Dear Ms. Beth Keating:

By this letter, the Commission staff requests that Florida Public Utilities Company (FPUC or utility) provide responses to the following data requests.

1. In response to Item 1 of Staff's First Data Request, it states that FPUC and FGT will amend its contract to relocate the amount of capacity contracted for delivery to the existing city gate station on the Riviera Lateral to a new interconnect. Please state whether this will result in lower payments from FPUC to FGT? If not, please explain why.

Please file the original and five copies of the requested information by Thursday, February 21, 2013, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6226 if you have any questions.

Sincerely,
