RE: Communication in Docket No. 100437-EI

On February 5, I was approached by Paul Lewis of Progress Energy who informed me that they would be issuing a press release concerning the Crystal River 3 Nuclear Plant. I responded: "Okay, thank you." J.R. Kelly with the office of Public Counsel was in attendance.

In an abundance of caution and to ensure compliance with Section 350.042, Florida Statutes, please enter this memorandum in Docket No. 100437-EI.
