

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Nuclear Cost Recovery Clause.

DOCKET NO. 130009-EI  
ORDER NO. PSC-12-0650A-FOF-EI  
ISSUED: February 28, 2013

AMENDATORY ORDER

Order No. PSC-12-0650-FOF-EI, issued on December 11, 2012, in Docket 120009-EI, contains a scrivener's error concerning Progress Energy Florida, Inc's (PEF) Net 2012 capacity cost recovery factor, as described below. Specifically, on page 44 of the Order, Table 5 correctly identified the net Nuclear Cost Recovery Clause (NCRC) total 2013 amount approved by the Commission as \$142,730,579. This number is used to establish PEF's 2012 Capacity Cost Recovery factor. Page 78 of the same order, however, incorrectly orders that PEF is "authorized to include the nuclear cost recovery amount of \$102,696,903 to be used in establishing its 2012 capacity cost recovery factor."

Therefore the third ordering paragraph on page 78 of the final order should be amended to reflect the correct \$142,730,579 figure.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that page 78 of Order No. PSC-12-0650-FOF-EI is amended to accurately reflect that Progress Energy Florida, Inc. is hereby authorized to include the 2013 Nuclear Cost Recovery clause amount of \$142,730,579 to be used in establishing its 2012 capacity cost recovery factor. It is further

ORDERED that Order No. PSC-12-0650-FOF-EI is affirmed in all other respects.
