Re: Notice of Transfer of Control of AmericaTel Corporation and Matrix Telecom, Inc. to Impact Telecom, Inc.

(“Impact”) (AmericaTel, Matrix, and Impact collectively, “Parties”), through their undersigned counsel, hereby notify the Florida Public Service Commission (“Commission”) of a planned transaction whereby Impact will acquire control of AmericaTel and Matrix. The Parties understand that Commission approval is not required to complete the transactions described herein. Accordingly, the Parties submit this letter for informational purposes to assure the continuing accuracy of the Commission’s records. In support, the Parties provide the following information:

Columbia, and provides such services primarily to enterprise customers. In Florida, Matrix is authorized to provide competitive local exchange telecommunications services pursuant to CLEC Certificate No. 8586 granted in Order Nos. PSC-05-0555-PAA-TX (May 20, 2005) and PSC-05-1126-FOF-TX (Nov. 8, 2005) in Docket No. 050248-TX, and interexchange telecommunications services pursuant to IXC Certificate No. 2495 granted in Docket No. 940688 on October 13, 1994. Matrix also holds FCC authority to provide interstate and international telecommunications services.

C. Impact Telecom, Inc.

Impact is a Nevada corporation with principal offices located at 9250 East Costilla Ave., Suite 400, Greenwood Village, Colorado 80112. Founded as a CLEC in 2004, and headquartered in the Denver Tech Center, Impact Telecom is a leader in the wholesale domestic and international telecommunications market delivering flexible and effective solutions. Impact owns and operates a state-of-the-art network which carries billions of minutes every year. Impact's fully redundant facilities are located in major carrier hotels in New York City, Los Angeles, Atlanta, Philadelphia and Dallas. Impact offers multiple interconnection options including Private Ethernet, DS-3, and public Internet over a low-latency, multi-vendor, tier-one IP backbone. Impact currently provides services to other carriers and does not serve retail end users at this time. Impact does not provide telecommunications services in Florida and does not hold any authorization from the Commission. Impact holds FCC authority to provide interstate and international telecommunications services.

Description of the Transaction

On February 15, 2013, Impact, EnergyTRACS Acquisition Corp., a Delaware corporation ("Seller"), and MTAC Holding Corporation, a Delaware corporation ("Parent"),¹ the corporate parents of AmericaTel and Matrix, entered into a stock purchase agreement ("Agreement") whereby Impact will acquire control of Parent, and indirectly, AmericaTel and Matrix. As a result, AmericaTel and Matrix will become indirect subsidiaries of Impact.² For the Commission's reference, organization charts showing the pre- and post-transaction corporate structure are provided as Exhibit A hereto.

The Parties respectfully submit that the proposed transaction serves the public interest by reinforcing the status of AmericaTel and Matrix as marketplace competitors. Moreover, it will be seamless and virtually transparent to their Florida customers in that AmericaTel

¹ Seller and Parent are holding companies that do not provide telecommunications service.

² Alternatively, AmericaTel may be merged with a newly created, wholly owned subsidiary of Impact, following which AmericaTel will be the surviving corporation. In such an alternative, AmericaTel would be acquired by Impact directly and will become a direct wholly-owned subsidiary of Impact. The acquisition of Matrix will not be affected by this alternative transaction structure and in both cases AmericaTel and Matrix will be controlled by Impact following the closing. This alternative structure is illustrated in the corporate organization charts appended as Exhibit A hereto.

and Matrix will continue to offer service with no change in the rates or terms and conditions as a result of the transaction.
