RE: Health Insurance Allocated Costs for Docket# 120269-WU. & #120270-SU

Dear Commission Clerk:

The requested allocated cost for employee health Insurance was intended by me to take affect once additional revenue was realized as part of this docket.

Current utility revenues do not allow this employee benefit. Should the commission approve my request for employee benefits, I would immediately begin paying the insurance payments. I am requesting the commission approve the plan #533 minus dental benefits. Such costs should be allocated between West Lakeland Wastewater and Pinecrest Utilities, LLC.

On behalf of my utilities,

s/ Mike Smallridge
