**FLORIDA PUBLIC UTILITIES COMPANY'S NOTICE OF INTENT TO REQUEST  
CONFIDENTIAL CLASSIFICATION**

Florida Public Utilities Company ("FPUC" or "Company") by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(3), Florida Administrative Code, hereby submits its Notice of Intent to Request Confidential Classification for information contained in Attachment OPC-1 (Closing Statement), and Attachment OPC-2 (Exhibits to Asset Purchase Agreement) to its Response to Office of Public Counsel's Areas of Concern with Florida Public Utilities Company ("FPUC"), which has also been filed today.

Specifically, FPUC intends to request confidential classification of the highlighted rates and terms in the Agreement, which represent specific customer account and bank account information and identification numbers that FPUC treats as proprietary confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes.

Release of the referenced information as a public record would harm FPUC's business operations and ratepayers by impairing the Company's competitive business interests, and would also directly harm the Company and its customers by disclosing sensitive account-specific information that both the Company and its customers treat as confidential. As such, FPUC requests that the Commission protect this information pending the filing by FPUC of a Request for Confidential Classification consistent with Rule 25-22.006, Florida Administrative Code. Exhibit A to this Request is a highlighted
