RE: **Hotwire Communications, Ltd – TX879
Year 2013 Local Competition Report, and
Request for Confidentiality**

130000-0T

Dear Sir or Madam:

Attached you will find four copies of Hotwire’s Local Competition Report, as follows:

- One copy marked “CONFIDENTIAL COPY,” which contains all information requested;
- One copy marked “CONFIDENTIAL COPY,” which contains all information requested and has Confidential Information highlighted;
- Two copies marked “PUBLIC COPY,” in which Confidential Information has been redacted.

Although Hotwire is a CLEC, it does not provide any telecommunications services in Florida as a CLEC. Its voice services are provisioned 100% as VoIP. Hotwire is happy to provide the Florida PSC with its voice and broadband information so the PSC can assess the state and delivery of voice and broadband services in Florida. Hotwire has done this on the copies marked “CONFIDENTIAL COPY.” However, Hotwire requests that its information be given confidential treatment and only the copies marked “PUBLIC COPY” be made available for viewing by anyone other than the Florida PSC.

Please do not hesitate to contact me if you have any questions.

Best regards,

HOTWIRE COMMUNICATIONS
