Its my understanding that the stipulation needs to be filed in the appropriate dockets before the hearing starts Monday morning. If you could follow up that would be great. Thanks.

PETE: I checked with Delores - - we found her copy of the doc - - and when I looked into it, I found that the CLK filed it in the '01 docket, not this docket. Let Martha know that the CLK has to make a change in their records before it will show up in the correct docket.

MARGUERITE: Please work your magic and make the corrections in CMS. Document No. 01765-13, filed with you a week ago today, was recorded in 130001-EI and it should have been in 130024.

Hi Pete, There is a motion for confidentiality in this docket. Will we still need the materials after the case is over or will I need to do a confidentiality order? In any event I need one of those staff memos that agree that the materials are confidential. Thanks no rush.
