BACKGROUND

West Lakeland is a Class C wastewater utility that serves approximately 315 customers in Polk County. The service territory is located in the Southwest Florida Water Management District and is in a water use caution area. Water service is provided by the City of Lakeland. According to the West Lakeland's 2011 annual report, total gross revenues were \$86,753 and total operating expenses were \$101,218, resulting in a net loss of \$14,465.

The Utility, previously known as ABCA, Inc., has been providing service to customers in Polk County since 1972. On January 9, 1990, the Polk County Commission granted a franchise to Ameribanc Investors Group for a system known as Village Lakeland. Polk County subsequently came under Commission jurisdiction on July 11, 1996. In 1998, the Commission granted the Utility Certificate No. 515-S to provide wastewater service.¹ Rate base was first established in the Utility's 1999 staff-assisted rate case (SARC).² ABCA's certificate was transferred to West Lakeland in 2001.³

By letter dated March 26, 2009, West Lakeland gave notice of abandonment effective June 30, 2009. On May 13, 2009, the Polk County Attorney filed a Petition for Appointment of Receiver for West Lakeland in the Circuit Court of the Tenth Judicial Circuit (Circuit Court). The Circuit Court appointed Mr. Mike Smallridge as receiver for the wastewater system. On

On October 25, 2012, the Commission received an application for a SARC from West Lakeland. In addition, Mr. Smallridge has become the owner of West Lakeland and has since filed an application for transfer of Certificate No. 515-S in Polk County from West Lakeland Wastewater, Inc. to West Lakeland Wastewater, LLC. in Docket No. 130065-SU.
