Subject: Knology of Florida, Inc. Name Change Request

Importance: High

Patrick,

I will be opening the docket to process the name change received from your firm for Knology of Florida, Inc. adding the fictitious name.

I noticed on the fictitious name detail below, that the Florida company listed as one of the owners states Knology of Florida, LLC owns the new fictitious name.

There is no Knology of Florida, LLC registered with the Florida Secretary of State nor is that the current company certificate name on file at the Commission. It is probably a typo.

Is it possible to make a phone call to the Secretary of State, Division of Corporations and have the 'LLC' edited to the correct corporate style of 'Inc.' as a typo fix.

I am required to match the owner and the fictitious name when processing these name changes and as it stands now, the LLC is creating a problem in doing that.

Let me know,
